

Support Court Mission Statement

The United States District Court for the District of Connecticut has developed a Support Court Team to positively influence participants who struggle with drug and alcohol addiction. We will connect participants with treatment, employment, educational resources, and pro-social organizations in the community. The Support Court Judge will address participants' behavior through meaningful incentives and timely sanctions. The Team, recognizing the nature of substance addiction, will treat participants with dignity and respect, to promote a rehabilitative atmosphere that empowers participants to lead law abiding lives.
