STOP HANDGUN VIOLENCE SHORT FILM AUDITIONS

CONFERENCE/AUDITION ° PRE-REGISTRATION PREFERRED

In collaboration with 4 Peace, the Hartford Police Department, the U.S. Attorney's Office for the District of Connecticut and Stop Handgun Violence, a non-profit organization will be creating a short film that will address girls' and women's roles in violent crime. This short film will depict the challenges uniquely felt by girls and women living in distressed neighborhoods. The goal of the film will be to create an educational piece to be shown in schools, outreach events and detention centers, potentially nationwide.

4PEACE has performed in critically acclaimed productions, winning numerous awards, and creating legendary hip-hop hits. Twice Thou & Edo.G grew up in the inner city of Boston, MA and have witnessed the negative changes in their city ravaged by violence, drugs, guns, gangs, and poverty. However, **4PEACE** also recognizes the potential for communities to prosper and have taken the opportunity to use their talent and unquestionable street credibility to make a difference.
