

Fraud Alerts: Phone and Email Scams

Please beware of telephone and email scams involving persons impersonating law enforcement officials, court officials, or U.S. Marshals.

- The originators seek to collect a fine for failure to report for jury duty or may pressure you to provide sensitive information, such as Social Security numbers, credit card numbers, or other personal information.
- Some messages may even threaten arrest, cite an arrest warrant, and use false identifiers such as badge numbers, judges' names, or specific court information such as street addresses and email boxes to appear legitimate.
- Some email messages appear to contain fake Notices of Electronic Filing (NEFs). These messages are being sent to attorneys and law firms across the country. Validate case and case documentation through CM/ECF only.

These calls and emails are fraudulent and not connected in any way to the United States District Court.

DO NOT DOWNLOAD OR CLICK ON ATTACHMENTS OR LINKS OR DIVULGE PERSONAL INFORMATION OR PROVIDE PAYMENT IN ANY FORM.
